A "Master 'Artistic Pool' Show" performance offers both quality and quantity for your activities program. Instruction and entertainment, professionally presented, with a "twist" of humor, in a 90-minute format is only the beginning. After learning the fundamental components of the game and enjoying a wide variety of trick, fancy, skill and novelty shots, you and your facility will be given a "special" treat!!

Audience challenge is offered for everyone present, while all participants will receive an autographed photo. Winners will be awarded a unique "victory" sticker.
